Prof.Ac.Alexandr RAZUMOV
President
ZRAVNIDZA
MOSCOW

Milan, 7 June 2021

Dear President,

On behalf of the Board of Directors of Femtec and myself, I would like to express my warmest congratulations on the Zravnidza Jubilee 2021.

An important date, not only for Russian balneology but for the whole world of thermalism.

Zravnidza represents a meeting point of professional enrichment and innovative proposals, both nationally and internationally.

Femtec is happy and honored to collaborate, since the first edition and to continue to bring the contribution of its experts.

We wish, therefore, to the Presidency and to the Organizers the best success and long life to the event.

With cordiality and esteem
Prof. Umberto Solimene
